Community rallies behind kindergarten fundraiser

AN incredible response from the local community has seen Bright Kindergarten raise more than \$7000 at its Spring out of Winter fundraiser.

More than 70 guests packed the Bright Art Gallery for the event last Friday.

Organiser Susan Anehagen said the group was amazed by the support it received

"The result was great, we raised about \$7500," she said.

"Thirty to 40 businesses and community groups got behind the event locally and from Mt Hotham and Falls Creek – we had countless supporters."

Sassy Road clothing store in Mt Beauty provided a catwalk parade, while there were auctions, pick a boxes and more.

Ms Anehagen said the Bright Art Gallery was terrific in helping set up.
